Rattan Elegance and Quality Woodworking Together!

Bahçelya olarak rattan şıklığını kaliteli ahşap işçiliği ile buluşturarak modern yaşam alanlarınıza keyif katmayı hedefliyoruz. Dış mekan alanları için ürettiğimiz dayanıklı ve konforlu ürünleri doğadan aldığımız ilham ile birleştiriyoruz.

Doğanın içerisinde kopmuş ahşap ile rattan örgüyü birlikte kullanarak doğallığı yaşanabilir mobilyalara dönüştürüyoruz. Her biri özel olarak tasarlanan modellerimiz ile yaşam alanlarına katacağımız görüntünün doğa ile uyumlu çizgilerde olması için özenle çalışıyoruz.

Doğal olandan kopmadan hareket ediyor, kalite ve estetiğin doğanın eşsiz güzelliği ile birlikte düşünülmesi gerektiğine inanıyoruz.

Üretimini gerçekleştirdiğimiz her bir model yoğun emek gerektiren zorlu bir sürecin sonucunda el işçiliği ile ortaya çıkıyor. Farklı renk ve desenlere sahip rattan ip modellerimiz tecrübeli ustaların elinde günler süren üretim sürecinin sonucunda eşsiz tasarımlara dönüşüyor.

Bahçelya olarak üzerinde yaşadığımız toprakların kendine has olan özelliklerini fazlasıyla seviyoruz. Ülkemizin özünde sahip olduğu her şeyin dünya ile yarışabilir standartlarda olduğuna inanıyoruz.

Bu sebeple ürettiğimiz ürünlerin yerelden gelmesi ve yerel kalkınmayı desteklemesine özen gösteriyoruz. Ülkemizde üretilenin dünyada üretilen kadar kaliteli olabileceğine inanıyor ve ürünlerimizde kullandığımız malzemeleri yerel tedarikçilerden karşılayarak ulusal kalkınmaya katkıda bulunuyoruz.

As Bahçelya, we aim to add pleasure to your modern living areas by combining the elegance of rattan with quality woodworking. We produce durable and comfortable products, which are designed for outdoor areas, with inspiration from nature.

We transform natural wood and rattan knitting into comfortable furniture by using them together. We work carefully to ensure that the image we will add to the living areas with our specially designed models will be in harmony with nature.

We believe that quality and aesthetics should be considered together with the unique beauty of nature without separating from the natural.

Each model we produce is the result of a difficult and labor-intensive process, produced by hand. Our rattan knitting models with different colors and patterns are transformed into unique designs as a result of a production process lasting for days in the hands of experienced craftsmen.

We love the unique characteristics of the land we live on as Bahçelya. We believe that everything in our country's essence is at par with world standards.

For this reason, we pay attention to the fact that our products are produced locally and support local development. We believe that products made in our country can be as good as those produced in the world and contribute to national development by obtaining the materials we use in our products from local suppliers.
