MARMO BIANCO PS-101

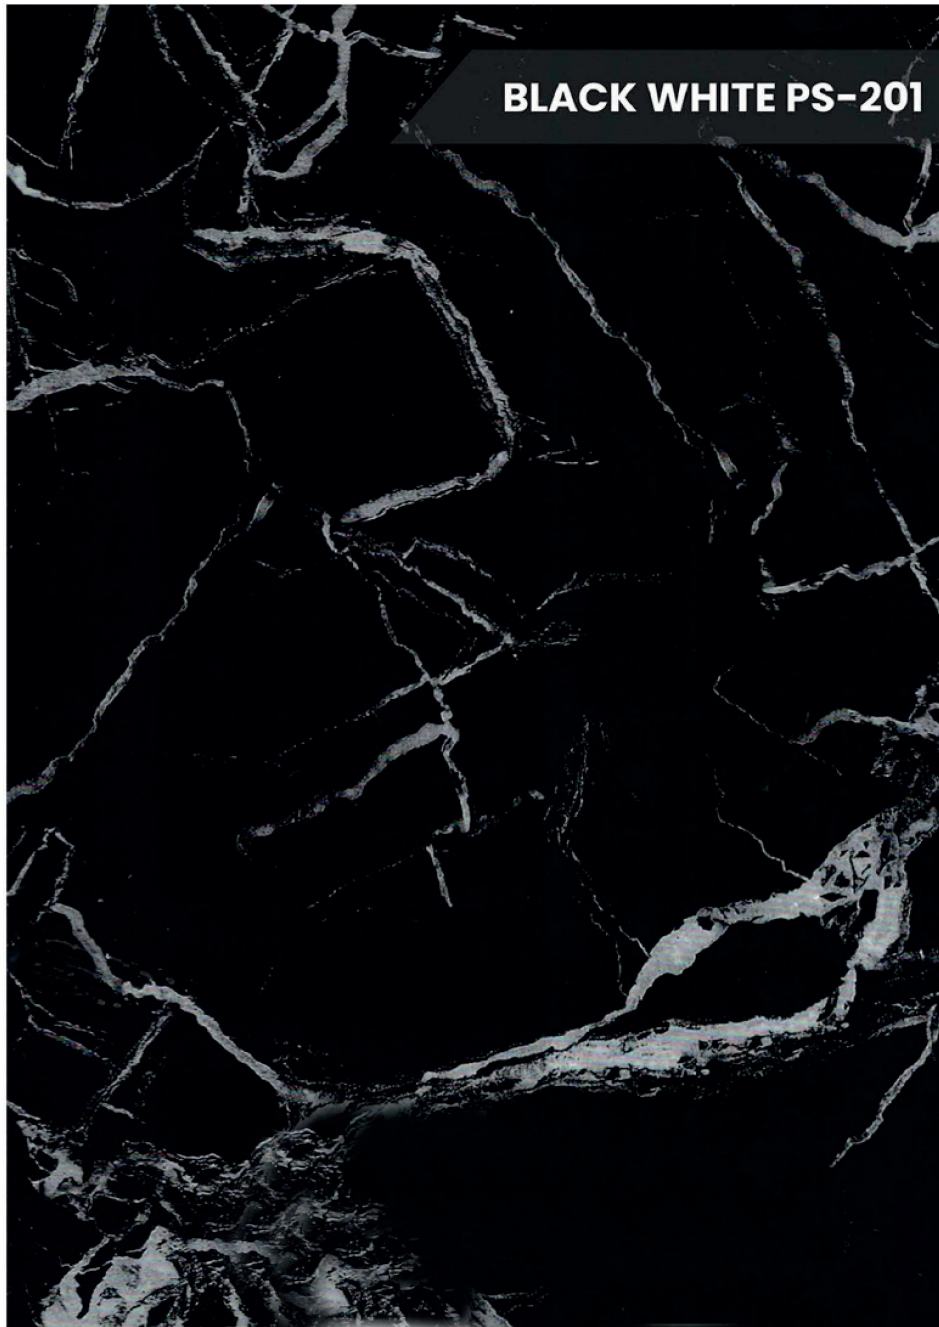

This image shows a close-up of a marble surface with a complex, organic pattern. The background is a light, off-white color, overlaid with intricate, dark grey and black veins that swirl and branch out in various directions, creating a classic marble effect.

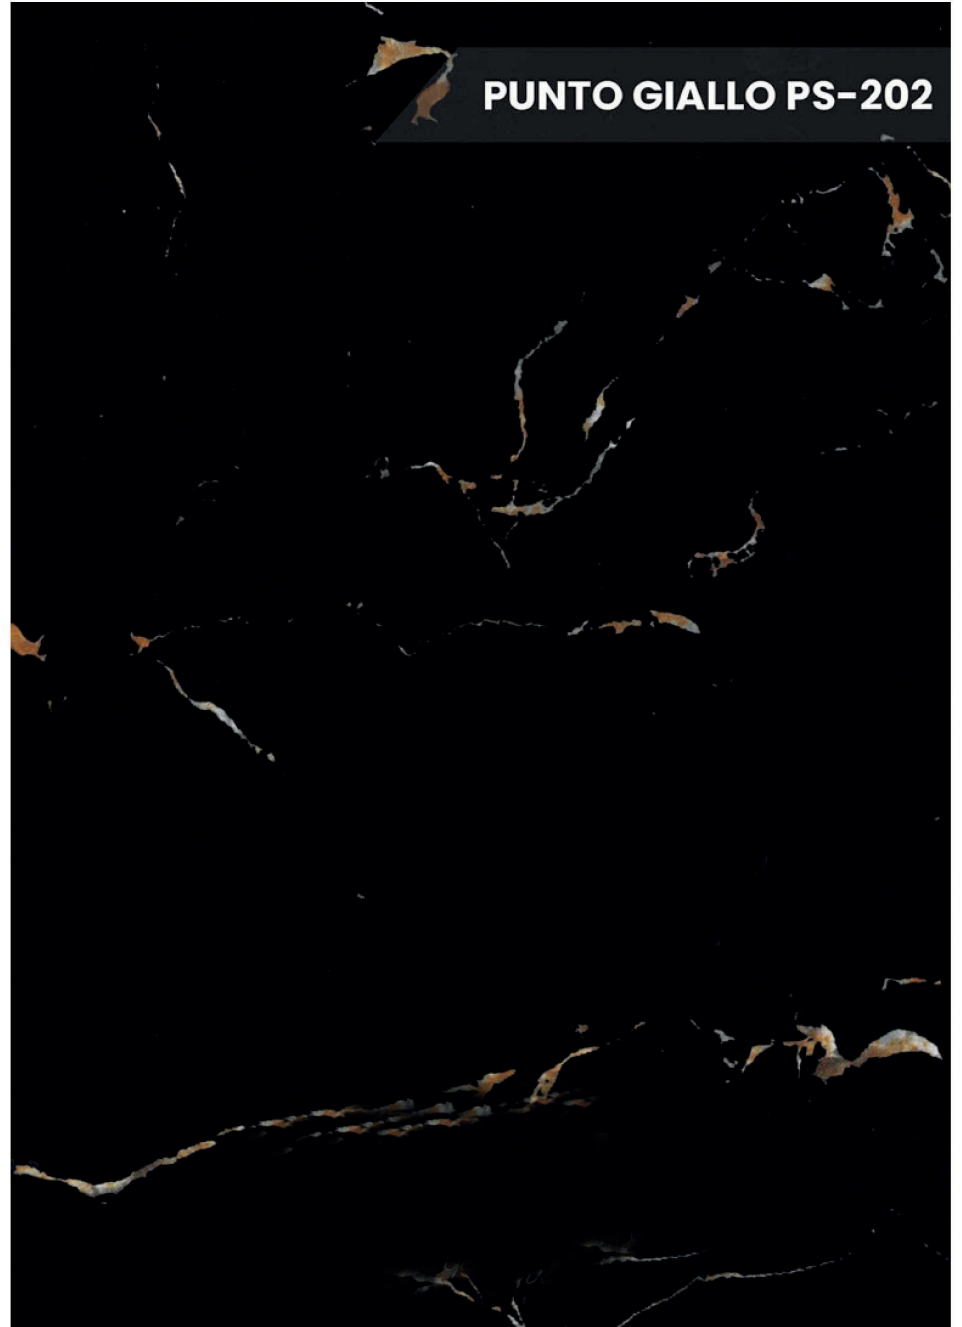

TIGRE PS-102

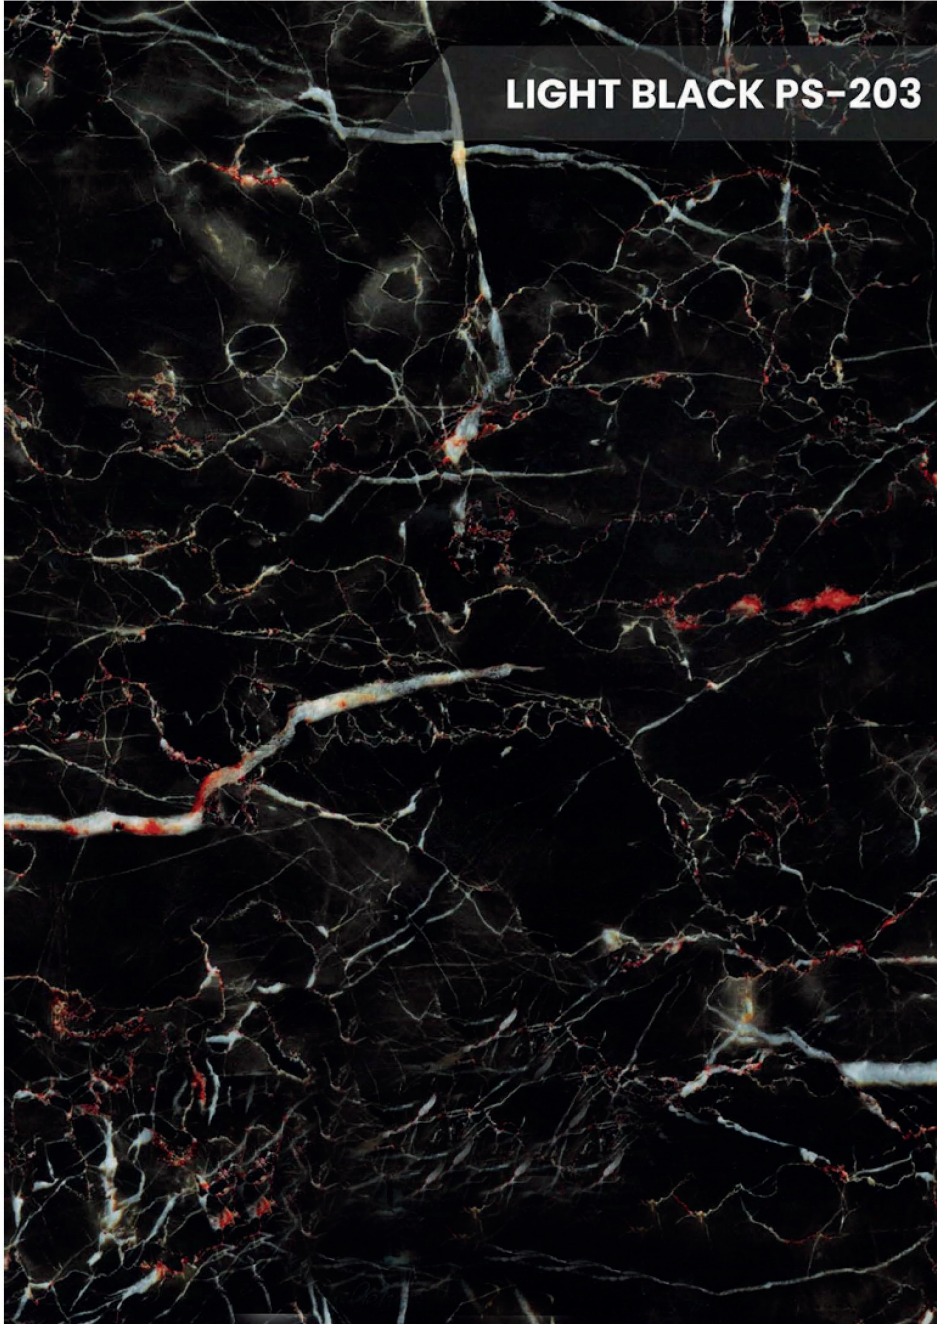

This image displays a marble pattern characterized by more linear and flowing veins. The base is a pale, neutral tone, with dark grey and black lines that sweep across the surface in a more uniform, diagonal-to-curving orientation, giving it a more structured appearance than the first pattern.

BLACK WHITE PS-201

PUNTO GIALLO PS-202

LIGHT BLACK PS-203

BİLECİK BEJ PS-301

A close-up view of a marble surface with a light beige or cream-colored base. It features a network of thin, dark brown veins that branch out across the surface in an irregular, organic pattern. The overall appearance is subtle and elegant.

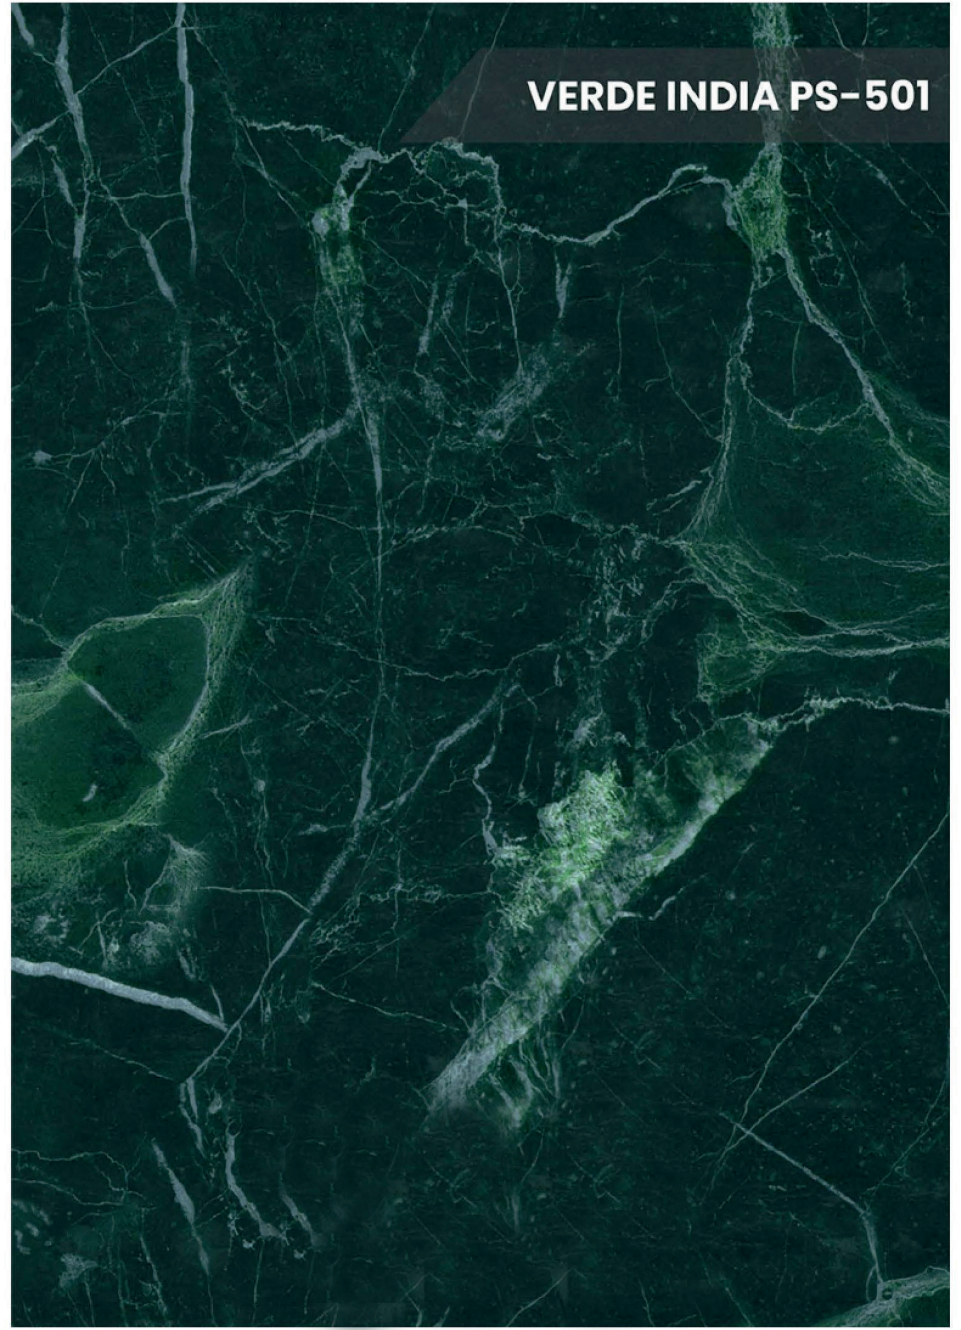

ROSA BEJ PS-302

A close-up view of a marble surface with a deep, rich red base color. It is characterized by a dense and intricate pattern of white veins that crisscross the surface, creating a complex, web-like structure. The contrast between the red and white is sharp and vibrant.

ELAZIĞ VIŞNE PS-401

ROSSO LEVANTO PS-402

VERDE INDIA PS-501

A close-up photograph of a light brown marbled paper texture. The pattern consists of intricate, organic, vein-like structures in various shades of brown, from light tan to dark chocolate, creating a complex, web-like appearance. The texture is dense and detailed.

LIGHT BROWN PS-601

A close-up photograph of a marbled paper texture labeled 'Mielle Bal PS-701'. The overall color palette is light, featuring soft beige, cream, and pale yellow tones. The pattern is characterized by delicate, flowing veins and subtle gradients, giving it a soft and elegant appearance. The texture is less dense than the one on the left.
